Gelatin silver prints, artist's frames  
2023

*Ever and Too*

Ever and Too are looking at me, and looking at you. I look at Ever, Ever looks at Too, and Too looks at you. You look at Ever, Ever looks at me, and I look at Too. Too looks at Ever, Ever looks at you, you look at Too, and I look at you. You look at Too and Ever looks at you.
