About Julia

Julia is enamored with objects covered in a little dirt, like they've been rolling around on the ground. She's fascinated by minor injuries. Not broken legs or gruesome wounds. More like small cuts that require Band-Aids.

"The ultimate trifecta, for me, is a dirty yellow school bus that has a boo-boo," Julia says. "Broken fender, broken wheel, little grimace on its face."

About Wiley

According to Wiley, one of the most underrated toys of the last decade is "Lotta Looks". Created by YouTuber cookieswirlc, the line of dolls and keychains is now discontinued.

"They're like Mr. Potato Head, but with Snapchat dog filter face pieces," Wiley says. "Not to compare cookies and potatoes, but Mr. Potato Head can't have one eye crying gummy tears and his other eye be an emoji. His eyes are connected."
